

Make, Test, Share.

24 learners. Three groups of eight.
Three stations. One hour of making.

01 Motion Lab

Predict a swing. Change its length. Compare the period.

02 Bridge Build

Build a paper-and-tape bridge across 20 cm. Compare designs using the same coin load.

03 Design Story

Sketch an idea, test it and show your revision in three panels.

What did you change? What did you observe?

What would you improve?
